

ALL AGE PATIENT AND PUBLIC VOICE GROUP

? Who are we

- The PPV group is made up of people from across the North West region who have experience of children with heart problems or anyone of any age affected by congenital heart disease (CHD)

? What do we do

- Represent the views & experiences of everyone
- Provide feedback on how services are working across the North West

? When do we meet

- Once a month for approx 2 hours
- Meetings held remotely but also have face to face meetings
